

An artist's impression of a modern, single-story house. The house features a wide, low-pitched grey roof with a central gabled section over the entrance. The exterior walls are a mix of light grey horizontal siding and smooth grey panels. A white car is parked in a two-car garage on the right side of the house. The front yard is landscaped with green grass, yellow and green shrubs, and a central garden bed with a large green plant. The background shows a blue sky with scattered white clouds and a line of trees. In the top right corner, the text "Artist Impression Only" and "Not for Construction" is displayed in a dark red font.
